

Revised Operational COVID Guidelines for Nail & Beauty Salons

This guidance is intended to assist Calvert County residents, business owners, workers and visitors at this moment in time. Our guiding principles are as follows:

Marylanders should continue to practice physical distancing.

Marylanders should continue to wear face coverings or masks in indoor public places, and outdoors when physical distancing is not possible.

As vaccines become available, every eligible person should get inoculated to speed our community's return to normal.

It is important that all of our actions in the near future are consistent with these guiding principles:

- » Staff and guests must wear face coverings at all times unless it directly interferes with the service being provided.
- » Appropriate signage has been posted around the facility and grounds to relay the messaging about social distancing, face coverings, and handwashing.
- » Adequate handwashing stations are available for workers and hand sanitizer is available.
- » Employees have been trained on the proper use of the necessary PPE (covers both mouth and nose).
- » It is strongly encouraged to provide services on an appointment-only basis.
- » Customers waiting for service shall be spaced at least 6 feet apart.
- » After providing services to each customer, clean and disinfect the area in which services were performed in accordance with applicable guidance from the CDC and MDH.
- » A plan is in place for regular cleaning and sanitizing of high contact surfaces. Gloves are available and worn by the designated employee responsible for cleaning high contact surfaces.
- » Adequate supplies are available for the increased cleaning and disinfecting of surfaces.
- » Delineate social distancing markers (6 feet apart) in areas where customers may form lines or congregate.
- » A plan is in place for daily employee wellness checks. Have a secure location to store these documents.

**Requirements may change at any point contingent on health necessities or new directives from the Governor's Office.*
